3
Mike and Skylar have both decided it's time to move on to their next chapters.
4
I've learned a lot here. But I think it's time for something different.
5
Same here. It's been... educational.

2
I've documented the deployments, access permissions, and remaining technical handovers.
Good work.
3
I documented everything I worked on, too.
4
Including the experimental permissions?
...Most things.
5
We'll finish the handovers and give you both a proper sendoff.
6
I came here expecting to learn how a company operates.
I definitely learned things.
